

# Electronic Timesheets Agreement

## I. About The Electronic Timesheets Module

- a. The Electronic Timesheets Module is a web-based interface through which Consumers, Employers, Employees, and Fiscal Intermediary staff can respectively view relevant timesheet information.
- b. Consumers, Employers and Employees will be able to use the system to both submit and approve timesheets electronically for payment by the Fiscal Intermediary.
- c. A Consumer is not required to have an Employer in order to use the system. But in cases where a Consumer does have an Employer and the Consumer approves the Employer to have access to the Electronic Timesheets Submission Interface, both the Consumer and his/her Employer will have identical abilities to enter and approve timesheets for payment. If the Consumer does not feel comfortable with the electronic interface, the Employer has the ability to handle all of the Consumer's timesheet submission and approval responsibilities.

  - i. If the Consumer approves their Employer to use the system, then the Employer must also sign this Agreement.
- d. An individual Electronic Timesheets Agreement is required for each Consumer/Employee relationship that chooses to use the Electronic Timesheets Submission Interface.
  - i. This is true even if the Consumer or Employee is already using the Electronic Timesheets Submission Interface in another Consumer/Employee relationship.
